Dear Grant

Just a short note to thank you for the fantastic job that you have made of our new house. Both my father and I wanted you to know that all the 'extras' that you have done and changes made upon request have not gone unnoticed or unappreciated!

Everything has gone very smoothly and we are very grateful for how far you have gone in organising everything down to Sky TV, phone lines, furniture (the list could go on forever!)

The quality of everything is exceptional and all of your staff/contractors that I have come across are second to none!

We look forward to working with you in the future.

Kind regards

Laura Howie *R. Howie*
